

# New CHILDREN'S FITNESS Tax CREDIT

Did you know that your child's participation in YMCA Northumberland & Northumberland Breakers Beach Volleyball can qualify for a Children's Fitness Tax Credit?

The tax credit was created by the federal government to encourage physical activity for children up to and including 16 years of age (up to and including 18 years of age for children with disabilities). Families are able to claim up to \$500 per child per year for eligible programs.

If your child enrolls in our Youth Beach Volleyball Skill Development and League Play program then the Cobourg YMCA will track the registration and eligibility and tax receipts will be mailed to eligible families by February 28, 2012.

If your child enrolls in the Youth and Teen Competitive 2's program, then your tax receipts will be issued by the Northumberland Breakers.
